Introduction to inlingua Cheltenham

inlingua Cheltenham is a British Council recognised language school and member of the worldwide inlingua network of school (www.inlingua.com). inlingua Cheltenham is located in the beautiful Georgian town of Cheltenham (www.visitcheltenham.com). The town is famous for its Regency architecture and is said to be the most complete regency town in England. Many of the buildings are listed. The town offers excellent shopping facilities, restaurants, theatres, cinema and parks. It is an excellent location in which to study English as the majority of the inhabitants have English as their mother tongue language. Equally Cheltenham is an ideal base to explore the beautiful English countryside (particularly The Cotswolds) and for visiting major UK cities; the famous University City of Oxford is just one hour by car and London is just two hours away.

The school welcomes over 40 school, university and hobby groups every year for short or longer term stays across a range of disciplines while improving their English. Some groups enjoy a cultural experience while others undertake intensive study with English for their Specific Purpose. We tailor make each quotation to meet their specific interest as well as budget. We receive excellent feedback and repeat visits from groups year after year.
