Love your football? Love this course! We will be learning about English in relation to British football. Topics that will be discussed and taught during the course will vary each week but may include:

- The Football Association – The story of how football started and the role of community clubs.
 - The Premier League – How it became the greatest league in the world.
 - Football and money – Why are football clubs so rich?
 - The Champions League – The biggest annual football tournament.
 - Stadiums – Historic grounds and the most recent constructions.
 - Fan experience – Stories from the greatest games and footballing tragedies.
 - Rules – Back passes, handballs, and VAR – how the rules of the game have changed.
 - Referees – What they do and how they make the big decisions.
- The Three Lions – The English national team and their role in popular British culture.
- Players and teams - The greatest people to play the game and the clubs they play for.

English with British Football

Anytime between
22nd June & 14th August

In your lessons you will use video clips, discussions and debates to look at language necessary to improve your communication skills so you can talk about your opinions politely, discuss positives and negatives of situations and look at the importance of teamwork.

Together with your teacher and classmates you will work together to improve your English and football knowledge.

You will have work to prepare for the following day's lessons each day.

Sample one-week lesson content
